

Nova Scotia Police Identity Management Act

Notification Of Dramatic Work

PIMA has an impact only when film and television productions are using specific police items that are in use by police agencies in Canada today. This means PIMA does not apply when using fictitious police items, historical items or items from police agencies from other countries. Additional information on the act and which items must be included for notification, please see it here: www.iatse849.com/production/pima
