1.1 This agreement, made and entered into this _____ day of _____, 2018, shall be in force until the later of one year or the final completion of the Production.

1.2 The terms of this agreement do not constitute a precedent for subsequent agreements or productions.

Article 2. OBLIGATIONS AND RECOGNITION

2.1 **Prior Obligations.** As the Union is a Local of the International Alliance of Theatrical Stage Employees, Moving Picture Technicians, Artists and Allied Crafts of the United States, its Territories and Canada, nothing in this Agreement shall be construed to interfere with any obligation the Union owes to such International Alliance by reason of prior obligation.

2.2 Nothing in this Agreement shall be interpreted as requiring either party to take any action or refrain from taking any action that is in violation or contravention of any applicable Federal or Provincial law in Canada.

2.3 All persons who are performing work covered by the Collective Agreement shall be referred to as "Employees" in the text of the Agreement.

2.4 **Bargaining Agent.**

- 1) The Company recognizes the Union as the sole and exclusive bargaining agent for all Employees in the Bargaining Unit in the classifications set out in Schedule "A".
- 2) The provisions of this agreement shall apply to the Provinces of Nova Scotia, New Brunswick and Prince Edward Island and, to the extent permitted by law, any Employee hired in these provinces that the Company elects to transport out of the Maritime Provinces.

2.5 **Job Classifications:** The Employer recognizes the job classifications set out herein and shall not directly or indirectly change, delete, alter or amend the classifications, transfer job functions from one classification to another, or establish a new classification, without written permission from the Union. If with the Union's agreement the Employer creates a new classification, whether included in the bargaining unit described in section 2.4 or not, it will meet with the Union in an attempt to agree on a rate of pay; failing such agreement, the dispute will be considered a grievance and be resolved in accordance with the provisions of article 25.

2.6 The Company will not sign any agreement, which purports to appoint any other party as the bargaining agent for any or all Employees covered by this Agreement.

2.7 The Company agrees not to assign work to an Employee which would have the effect of excluding that Employee from the protection of Union membership.

2.8 No Employee shall be transferred to another bargaining unit without their consent and the consent of the Union.

2.9 **Company's Right to Manage.** The Union acknowledges the Company's right to make such rules and regulations as may be deemed necessary for the conduct and management of its operations. Employees shall obey all rules and directions of any authorized representative of the Company to the extent that they do not conflict with the terms of this Agreement, the Provincial Labour Standards, the by-laws and working rules now in force with the Union, or with the rules and regulations of the International Alliance of Theatrical Stage Employees, Moving Picture Technicians, Artists and Allied Crafts of the United States, its Territories and Canada. Any written rules and policies established by the Company shall be posted by the Company at all work sites and copies of the rules and policies are to be forwarded to the Union and attached to all Deal Memos or attached to each Employee's first pay cheque, after such rules become available.

2.10 **Legal Status of Company.** The Company shall maintain the legal status of the Company and shall not permit same to be liquidated, wound down or dissolved until all of the Company's obligations under this Agreement have been fully and finally performed and satisfied. The Directors of the Company will be personally liable, on a joint and several basis, should the Company breach the terms of this provision.

2.11 **Change in Title.** If there is a change in the Company's name or the title of the screen-based media production, the Company shall notify the Union in writing immediately.

2.12 **Change of Producer.** Where the Company assigns, transfers, cedes, sells or otherwise causes a third party to become the producer of the screen-based media production, the Company and such third party shall be jointly and severally liable for all duties, obligations and payments owing to any Employees and the Union under this Agreement, unless the Union agrees in writing that such third party assumes all of the Company's obligations hereunder.

2.13 **Transfer or Sale.** If at any time, the Company intends to sell, assign, transfer or lease the entire operation or any part thereof, it shall give notice of the existence of this Agreement to any prospective purchaser, assignee, transferee or lessee, or that part of the operation which is covered by this Agreement. Such notice shall be given to the prospective purchaser, assignee, transferee or lessee, in writing, with a copy to the Union, not later than seven working days before the effective date of the sale, assigning, transfer or lease.

2.14 **Modification of Terms.** The terms and conditions contained in this Collective Agreement may be modified from time to time by written agreement of the parties. Any such modifications shall be set forth in correct alphabetical sequence, starting with Schedule "C".

2.15 **Screen Credits.** All Heads of Departments shall be given screen credits for services rendered. Employees have the right to refuse such screen credit if they so choose. All credits will be presented in readily readable colour, size, and speed.

2.16 **Union Emblem.** The emblem of the International Alliance is copyrighted and is the sole property of the Alliance. The Company shall display the emblem, unless the Union advises otherwise, on any and all recorded screen-based media productions, recorded by any method and produced under the terms and conditions of the Agreement which carry screen or air credit title or titles. The insignia is to be clear and distinct and presented in readily readable colour, size and speed.

2.17 In addition to the foregoing, the following shall also appear with the screen credits:

2.18 The Company shall provide the Union, as soon as available, with the following: list of Department Heads, crew list and shooting schedule

4.3 **Qualification of Employees.** The Company shall not require members of the Union to work with anyone who is not a member of the Union unless such non-member is permitted and approved by the Union.

4.4 The job classifications contained in Schedule "A" shall not be changed or deleted, nor shall the jobs, or any duty of the job, be altered without the written agreement of the Union.

4.5 All rates and conditions of the full Collective Agreement shall be in effect until such time as variances and enabling clauses are agreed to. The Union reserves the right to deny retroactivity of such variances and enabling clauses to prior to the signing of the Collective Agreement.

4.6 No work customarily performed by an Employee covered in this Agreement and no work included in the job classifications in Schedule "A" of this Agreement and no Bargaining Unit Work in general shall be performed by another Employee of the Company or by a person or corporation who is not an Employee of the Company.

4.7 The Company shall not enter into any agreements with any other company or person wherein that other company or person will employ persons to perform Bargaining Unit Work, as defined in this Collective Agreement, or work normally performed by Employees covered by this Agreement, unless written consent is granted by the Union. A breach of this Article by the Company will entitle the Union to claim damages in the amount of lost wages and other monies payable on behalf of displaced members.

4.8 **Head of Department.** For each Department required by the Employer, the Company shall select a Department Head (or Key) from the Union's membership roster. The Department Head will remain employed until the Department has wrapped. The Company, with the approval of the Department Head (or Key), shall select an appropriate number of crew from the Union's membership roster. Each department will have, at a minimum, one Head at the applicable rate.

4.9 The Head of each Department shall be responsible for the operation of that department, including, but not limited to, all building, striking, inspection, handling, placing and producing of sets, electrical equipment, properties, wardrobe, and the buying, renting, or otherwise acquiring and wrapping of said properties, wardrobe or equipment performed by that department.

4.10 The construction of any temporary structure intended for filming purposes (e.g. flats, etc.) falls under the jurisdiction of the Union.

4.11 **Adequate Staffing.**

- (1) The Company agrees to employ sufficient personnel in every department so that each department is able to safely and efficiently complete their work. If the Company fails to employ sufficient personnel in each department in accordance with this Article and as recommended by the Heads of Departments, the Union may request additional manpower on the job to comply with the job requirements.
- (2) **Craft Service Staffing:** When crew, cast and background performers on a production total less than 75 in number, the Craft Service Department Head shall be permitted to engage a Craft Assistant. On those work days when crew, cast and background performers total more than 75 in number, the Craft Service Department shall consist of a Department Head, a Craft Assistant and a Second Craft Assistant. On those days when crew, cast and background performers total more than 120 in number, the Craft Service Department Head shall be permitted to engage an additional Daily Employee. This section shall not be interpreted so as to prevent the Craft Service Department Head from hiring a Daily Employee or Employees on days where logistical circumstances require the additional labour.
- (3) On Tier 5 productions, when Craft Services Department employees provide meals in lieu of meals provided by caterers, all hours worked by these Employees shall be considered work hours under this Collective Agreement.
- (4) On all productions, Tier 4 or higher, when there is a full time second camera team, or when a second camera is scheduled for more than 50% of a shooting day, minimum staffing for the production sound department will consist of a mixer, boom operator and a sound utility.

4.12 **Work Performed Outside of Maritime Canada.** In the event that the Company assigns an Employee to work outside of the Maritime Provinces, the provisions of this Agreement shall extend to the assigned workplace and will apply to such individuals.

Article 5. PERFORMANCE BOND

- 5.1 The Company shall not require any Employee to start work prior to
- (1) the signing of a Pre-production Collective Agreement with the Union, and
 - (2) the providing of security against wages and/or any other financial liabilities. This may take the form of one of the following:
 - (a) a corporate letter of guarantee in a form acceptable to the Union, or;
 - (b) a \$25,000.00 cash Performance Bond on a production by production basis or;
 - (c) a floating cash bond of \$30,000 with accrued interest payable to the Company.
- 5.2 The particular security must be posted with the Union not later than three calendar weeks prior to the commencement of principal photography of any production.
- 5.3 **Failure to Post Bond.** In the event of the Company's failure to post the appropriate Performance Bond and/or sign the appropriate Collective Agreements, the Union and its Members are under no obligation to provide services to the Company and the Union is under no obligation to avert any work stoppages.
- 5.4 The Performance Bond (plus accrued interest) shall not be released before:
- (1) a minimum of two weeks has elapsed after the production has been completed; and
 - (2) the last Employee has ceased working and has been paid; and
 - (3) Records of Employment have been issued to all Employees; and
 - (4) the Company has notified the Union in writing of the arrangements made to distribute Income Tax Receipts (T4 slips), and
 - (5) the Company has satisfied all of the obligations of this Agreement, including the settlement of any outstanding grievances.
- 5.5 Should an Arbitrator find that the Company has breached this Agreement, the Union may deduct from the amount of the Bond any monies that the Arbitrator determines are owing to Employees and/or the Union arising out of a breach of this Agreement.

Article 6. UNION PERSONNEL AND CREW CALLS

- 6.1 **Only Members in Good Standing.** The Company shall employ only members in good standing with the Union, as defined by the Union's constitution and by-laws. For the purposes of this Agreement, a duly authorized Union Work Permit shall also constitute good standing with the Union. Failure to show good standing with the Union shall be sufficient reason and just cause for dismissal.
- 6.2 The Union shall furnish all Employees covered by this Agreement to perform work in the job classifications of each department as listed in Schedule "A" of this Agreement. The Union shall maintain an availability list of available and qualified Members to work in each classification recognized in the Agreement.
- 6.3 **Department Rosters.** The Union shall maintain a roster of its available members within each department.

6.4 **Referrals Roster.** The Union shall also maintain a roster of available and qualified workers who are not members of the Union.

6.5 When the Union is unable to supply available and qualified workers in accordance with the preceding article, the company may employ a non-member in accordance with article 11.

6.6 The Company shall not unreasonably refuse to accept workers dispatched under sections 6.2, 6.3 and 6.4. The Company, when requested by the Union, shall be required to state their reasons in writing when refusing to engage an available member who is qualified in the requested category. In these instances, the Union will review the grounds presented by the Company and if these are found to be legitimate, the Union will not unreasonably force the Company to hire the member.

6.7 **Upgrades.** If, at the direction of the Company, an Employee works in a classification higher than the classification under which the Employee is called for work, the higher rate shall prevail for the time worked. If the Employee works for more than two hours in the higher classification, the higher rate shall prevail for the entire day. The Employee automatically reverts to their regular classification on the following day unless they are notified to the contrary.

6.8 The Company shall clearly indicate whether the call is a daily or weekly position when placing their calls for crew requirements with the Union.

6.9 In the event that the Union, in any specific instance, is unable to fill a position requested by the Company, the Company may make other arrangements and inform the Union of their action on that specific occasion, in accordance with article 11. The Union shall not be deemed to be in breach of this Agreement if unable to supply Employees.

Article 7. UNION ACCESS

7.1 The Company recognizes the right of any duly authorized representative of the Union to have access to the daily production reports or the place of work of any Employee. The Union agrees that such access will not be made to interfere with the Employees' ability to perform their duties. Union representatives shall present appropriate identification when necessary.

7.2 **Shop Steward.** The Union shall elect or appoint at least one on-set and one off-set Shop Steward to ensure that the provisions of this Agreement are adhered to. The Company shall recognize the Shop Stewards as the representative of the Employees and recognizes that the power to elect a Shop Steward on a production or the elimination of a Shop Steward position is solely vested with the Union. The Shop Steward shall have the complete cooperation of the Company in the performance of their duties. The Company shall not bring to bear any disciplinary, discriminatory or monetary pressure upon any Shop Steward as a result of the performance of their duties. The Shop Stewards shall have no authority to alter, amend, violate or otherwise change any part of this Agreement.

Article 8. NO STRIKE OR LOCKOUT

8.1 There shall be no lockout of Employees by the Company during the term of this Agreement.

8.2 The Union agrees not to initiate any strike, work stoppage or slow down during the term of this Agreement, except in the case of the Company's failure to post a performance bond in accordance with article

5.3 or adhere to the terms and conditions of this Collective Agreement.

8.3 No Discipline for Honouring Picket Line.

(1) It shall not be a violation of this Agreement and it shall not be cause for dismissal or disciplinary action in the event an Employee refuses to enter upon any property involved in a labour dispute, or refuses to go through or work behind a picket line, including a picket line at the Company's place of business and/or shooting location.

(2) The Company will not take any action against the Union or any Employee in the event that such a picket line is deemed illegal by a court, applicable Provincial Labour Relations Board or the Canada Industrial Relations Board. The Union agrees that if such a picket line is deemed illegal, the Union will use its best efforts to encourage Employees to report for work. However, if such efforts are unsuccessful, the Union cannot be held accountable if sued for loss in arbitration through the applicable Provincial Labour Relations Board or the courts, unless the action was sanctioned or condoned by IATSE Local 849.

Article 9. FORCE MAJEURE

9.1 The Company may declare a Force Majeure, cancelling work calls, laying off Employees during a workday, or otherwise suspending production without prospective obligations to Employees, as a result of an inability to provide work because of an unforeseen circumstance beyond its reasonable control. Force Majeure includes, but is not limited to: riot, war, fire, earthquake, hurricane, flood, injury, illness, labour dispute, strike, or governmental regulation or order in a national or "state of" emergency. The Company may suspend the performance of the services by the Employee for as long as the delay continues. No compensation shall accrue or become payable to the Employee during the period of such suspension. This clause will, in no way, affect the workweek as defined in this Agreement. In such unforeseen circumstance, the Employer shall furnish a statement in writing to the Union within 24 hours or as soon as practicable, as to the reason for the Force Majeure.

9.2 Employees will be paid at least for the minimum call should the Force Majeure occur during working hours or within ten hours of the Employee's call time.

9.3 Should the Employee be required to layover during the period the Force Majeure is in effect, the Company must provide accommodation and per diem as defined in this Agreement.

Article 10. INDIVIDUAL EMPLOYMENT CONTRACTS

10.1 The Employee shall be required to sign an "Individual Employment Contract" or, as it is sometimes referred to, a "Deal Memo".

10.2 **Minimum Terms and Conditions.** This Agreement represents minimum rates and working

conditions. No Employee shall be compensated at rates less than those specified in this Agreement nor be subject to working conditions that are less favourable than the provisions of this Agreement.

10.3 **Right to Negotiate Above Minimums.** Nothing in this Agreement shall prevent any Employee from negotiating and obtaining from the Company better rates, conditions and/or terms of employment than those provided in the Agreement.

10.4 During the term of this Collective Agreement, the Company will not renegotiate any agreement with the Employee without first obtaining the consent of the Union. The upgrading of Employees in accordance with article 6.7 shall not require the consent of the Union.

10.5 Immediately upon the execution of any Individual Employment Contracts (Deal Memos), a complete copy shall be provided to the Employee. This copy must include all start slips and riders. The Company shall provide a copy of such contract and related documents to the Union within three business days. In the event of a discrepancy between Company riders or policies and the Collective Agreement, the Collective Agreement shall prevail.

10.6 At any time during the term of the Agreement, the Union may declare null and void all or part of an Individual Employment Contract if the Union determines that all or part of the Individual Employment Contract decreases the benefits under the Agreement.

10.7 The wording “subject to signed I.A.T.S.E. Local 849 Collective Agreement” must be clearly stated on each Individual Employment Contract.

10.8 The granting to any Employee of better rates, conditions and/or terms than those provided in this agreement shall not be construed in any manner as a precedent for granting similar rates, conditions and/or terms to other individuals.

10.9 **Residency Information.** Employees shall supply reasonable residency information sufficient to ensure that the Company receives all federal and provincial production services tax credits. Such information shall be kept confidential and held in compliance with applicable privacy legislation except to the extent necessary to obtain the applicable tax credits and incentives.

10.10 By signing the Employment Contract, the Employee authorizes the deductions stipulated in this Collective Agreement (i.e. fringes).

Article 11. ENGAGEMENT OF NON-UNION EMPLOYEES

11.1 In accordance with Article 6.1, preference of employment shall be given to I.A.T.S.E. Local 849 members. However, after determining that a member of the Union is not available, the Company may submit a written request to employ an individual who is not a member of the Union. This request for a Work Permit must include the following information:

- (1) A description of the job to be performed by the requested individual.
- (2) The Company's reasons for employing the individual.
- (3) A list of credits or a résumé of the requested individual.
- (4) Proof of any Union affiliation and professional standing of the requested individual.
- (5) A completed I.A.T.S.E. Local 849 Work Permit Request form signed by the Head of the Department requiring the permit and by the Production Manager and which clearly indicates whether the call is a daily or a weekly (term) position.
- (6) Prior work history of the individual with key creative personnel on the production.
- (7) A list of I.A.T.S.E. Local 849 members who were considered for the position and the reasons why they were not engaged.

11.2 The Company shall provide the request for Work Permit for a weekly hire as far in advance of the individual's start date as possible, but the request must be filed with the Union office no less than 24 hours prior to the individual's work start time.

11.3 If the Company establishes the necessity to hire a non-member, the Union may grant to the individual permission to work for a period not exceeding one week as defined in section 12.1. In certain instances, such as the requirement for a non-union Department Head or Employee with special skills, the Union may, at its discretion, grant a permit for the run of the production.

11.4 Those individuals permitted by the Union will be subject to the minimum rates, terms and conditions of this Collective Agreement.

11.5 At the end of each work day, the Company will re-submit permit requests for all Daily Employee permits. At the end of each work week, the Company will re-submit permit requests for all Weekly Employee permits.

11.6 The Company shall not employ any individual who is not a member of the Union until the Company has received a copy of the Work Permit endorsed by the Union.

11.7 **Work Permit Fees.** Permitted Employees who are not I.A.T.S.E members are subject to a permit fee of 7% of their gross wages to the Union. The Company shall deduct and forward this payment directly to the Union on a weekly basis with a complete remittance breakdown. Permit fees are paid by the Employee.

Article 12. HOURS OF WORK AND WORKWEEK

12.1 **Workweek.** The normal workweek shall consist of seven consecutive days: the first five days being workdays, the sixth and seventh days being days off. Sixth and seventh days are determined by the calendar and not by the number of days worked within that week by an individual Employee

12.2 **Work Day.** The regular work day for all departments, with the exception of the Set Construction Department and the Scenic Paint Department, is eight hours of work plus one hour unpaid meal break. The normal working day for the Set Construction Department and the Scenic Paint Department is ten hours work, plus one hour unpaid meal break. On-set Carpenters and On-set Scenic Painters will work the same schedule as the on-set shooting crew, i.e. an eight hour work day.

12.3 **Minimum Call.** The minimum call for a regular workday for all Employees is eight working hours with the exception of the Set Construction Department and the Scenic Paint Department. The minimum call for a regular work day for the Set Construction Department and the Scenic Paint Department will be ten working hours, including those persons brought in for daily calls.

12.4 **Sixth & Seventh Worked Day.** The hourly rate of pay for the normal working day on the sixth and the seventh days of the week when worked shall be two times the basic hourly rate as prescribed in Schedule "A".

12.5 When the Company is able to provide the Employees and the Union with 24 hours' notice of their intention of working on a sixth day of the work week, the hourly rate of pay for the normal working day shall be one and one-half (1 ½) times the basic hourly rate as prescribed in Schedule "A".

12.6 **Shift of Workweek.** One time during production, the Company may shift the workweek without incurring extra costs, by doing either of the following:

(1) Shift the workweek forward by one or two days by adding one or two days off, consecutive with the seventh day of the regular workweek, provided that each additional day off shall be at least twenty-four hours in duration. If work is performed on any of the additional days off, the rate of pay shall be that of a seventh day of work.

Or

(2) Shift the workweek back by one day by changing the seventh day of the regular workweek to the first day of the shifted workweek, provided that the sixth day of the regular workweek is a day off consisting of a 34-hour rest period. If work is performed on the day off, the rate of pay shall be that of a seventh day of work.

12.7 **Notice of Shift of Workweek.** Employees and the Union shall be given seven calendar days' notice of the shift.

12.8 The Company shall not shift the workweek to avoid paying for a non-worked holiday.

12.9 Shifts starting on the sixth day, seventh day and/or Statutory or Proclaimed Holidays will not be considered regular shifts.

12.10 **Pre-production Workweek.** The workweek during pre-production may be different than the workweek of production. The change in workweek from pre-production to production shall not be considered a shift. The workweek wherein pre-production ends and shooting begins must conform to the terms of Article 15.

12.11 **Distinct Work Unit.** Every distinct work unit can have a different and distinct workweek. A “work unit” means a first unit or a second unit. The regular workweek for each work unit shall conform to that prescribed in article 12.1.

12.12 **Production Hiatus.** The scheduling of all production hiatuses must be mutually agreed to by both parties.

12.13 All terms and conditions of this Agreement, including any amendments as they may be written from time to time, apply to all work units.

Article 13. OVERTIME HOURS

13.1 Work performed in excess of the normal workday shall be paid as overtime.

13.2 Overtime is to be calculated in 15 minute segments and any part of a quarter-hour constitutes the full quarter-hour. When the hourly rate for overtime in use and effect at the time changes on the quarter-hour, the first quarter of the hour in which the change occurs shall be paid at the existing rate and the second quarter-hour at the new rate.

13.3 Overtime for work performed after eight working hours for all departments, with the exception of the Set Construction Department and the Scenic Paint Department, shall be paid at the rate of one and one half ($1\frac{1}{2}$) times the basic hourly rate, up to and including the 12th hour. For the Set Construction Department and the Scenic Paint Department, overtime pay for work performed after ten working hours shall be paid for at the rate of one and one-half ($1\frac{1}{2}$) times the basic hourly rate, up to and including the 12th hour.

13.4 For all departments, overtime pay for work performed after the 12th working hour shall be paid for at the rate of two times the basic hourly rate, up to and including the 14th hour.

13.10 **Maximum Compounding.** The maximum compounding effect of the application of overtime and penalty payments provided for in this Agreement shall not exceed three times the basic hourly rate.

13.11 The Company shall not lay off and rehire the same Employee within the same workweek for the sole purpose of avoiding premium pay.

Article 14. MEAL BREAKS AND MONIES

14.1 With the exception of the provisions of article 14.10, all Employees are to receive a 60-minute meal period, to be initiated between the conclusion of the fourth hour of work and the conclusion of the sixth hour of work.

14.2 **Substantials.** Substantial snacks (e.g. sandwiches, soups, stews, etc.) will be served no later than three hours after the general crew call. In the event that this requirement is not met, the meal period will be initiated between the conclusion of the fourth hour of work and the conclusion of the fifth hour of work.

14.3 If the Company initiates the meal period at the conclusion of the fifth hour of work, this meal period will be recognized as the regular meal break and will be subject to the terms and conditions of this Agreement with regards to meal penalty, grace period and the second meal period.

14.4 Sixty-minute meal periods shall not be considered as “last person through the line”; however, the Company will allow sufficient time for departments to “make safe” the work place prior to the start of the meal period.

14.5 **Second Meal Period.** When the Company initiates a second meal period in a workday, the second meal period shall commence between the conclusion of the fourth hour of work and the conclusion of the sixth hour of work, calculated from the completion of the previous meal period. In the event that substantials are not provided following the first meal period, a second meal period will be initiated between the conclusion of the fourth hour of work and the conclusion of the fifth hour of work calculated from the completion of the previous meal period.

14.6 The one hour time allowed to consume the second meal shall be paid as a straight time hour and added to the workday. Such a meal period shall not be considered as being time worked for overtime calculations. Should a 30-minute meal period be invoked, article 14.10 shall apply.

14.7 **Grace Period.** Subject to the Shop Steward’s approval, a grace period of up to 15 minutes may be allowed at the meal break to complete a shot in progress. A “shot in progress” is defined as the continuation of photography of the current set-up of the scene. No changes to lighting, framing or lenses are permitted during the grace period. In the event that the 15-minute grace period is exceeded or changes are made to the set up during the grace period, meal penalty payments shall be paid as per article 14.16 of this Agreement. The grace period shall not be scheduled nor automatic. It is not intended for everyday use.

14.8 The request for a grace period will be made 15 minutes in advance of the meal period to allow ample time for the Shop Steward to be notified and make the decision as to whether or not to grant the grace period.

14.9 When a grace period has been granted, the second meal period, if applicable, will commence as per article 14.5, but calculated from the time the regular meal period would have been completed had the grace period not been granted.

14.10 30 Minute Meal Period.

- (1) Subject to the Employees' and Shop Steward's approval, the Company may elect to institute a 30 minute meal period, provided that a meal of a standard deemed acceptable to the Shop Steward is supplied by the Company and the time allowed to consume such a meal shall be considered as time worked for overtime calculations and shall be paid at the rate in use and effect. This 30-minute meal period must be called as per the regular meal break as described in articles 14.1, 14.3 and 14.5, otherwise a meal penalty will occur as per article 14.16.
- (2) The calculation of the 30-minute period shall commence when the last Employee has been served (i.e. "last person through the line".)

 - c) When Transportation Department employees cannot access a catered meal, these employees shall be permitted to purchase a meal and be reimbursed for same by the Company. Such reimbursement shall not exceed the amounts cited in section 19.6. This meal period shall be considered time worked.
 - d) In accordance with Article 14.5, in lieu of a second meal penalty, Transportation Department employees shall be entitled to purchase a meal and be reimbursed for same by the Company. Such reimbursement shall not exceed the amounts cited in Article 19.6.

14.11 Per Diems. The Company will provide meals or appropriate per diems when the Employee is entitled to that meal in accordance with article 19.4.

14.12 When the Employee is entitled to a per diem, the Company shall pay in advance of the meal period in accordance with Article 19.6

14.13 Dining Facilities. Proper dining facilities must be made available and time used to travel to and from such facilities shall not be included in the meal hour, nor shall travel time be used to calculate the start of the second meal period. When lunch is served away from the set, travel to and from the location of the lunch hall shall not be included in the meal period. Employees shall be paid at the time in use and effect in both of the above stated situations.

14.14 A buffet lunch may be served or a catering service may be employed to serve hot meals on location according to the values as stated in this article and subject to the Shop Steward's approval. Snacks, i.e. hot dogs, hamburgers, pizza, etc., do not constitute a proper meal.

14.15 All taxes for meals, craft service and substantial are the responsibility of the Company.

14.16 **Meal Penalty.** If an Employee is unable to have a meal period by the times specified in this article, the Company shall be required to pay a meal penalty of two times the Employee's rate of pay in effect based on hourly increments but calculated in quarter hour segments until such a meal period is provided. Any part of a quarter hour shall constitute a full quarter hour.

14.17 When in studio, the calculation of the lunch period shall be a one hour period from the time called.

14.18 **Green Service.** The Company will endeavor to provide reusable dishes, containers and cutlery.

14.19 **Craft Service.** All Employees including non-shooting crew will be provided at all times with hot beverages, cold water and juice along with healthy snack food and other food provisions. The Company shall supply this food and drink at no cost to the Employees. If these minimum provisions are not readily available to Employees throughout their working hours, then a 20 minute refreshment period shall be called at 2 ½ hour intervals throughout the working period.

14.20 In conjunction with the above meal/rest periods, the Non-Shooting crew will receive one 20 minute break during each six hour period. Employees will be responsible for scheduling their own meals and breaks in consultation with their Head of Department.

23.4 Rigid observance of safety regulations must be adhered to and failure of any Employee to follow safety rules and regulations can lead to disciplinary action including discharge; however, no Employee shall be discharged or otherwise disciplined for refusing to work on a job that exposes the individual to clear and present danger to life or limb. No set of safety regulations, however, can comprehensively cover all possible unsafe practices of working. The Company and the Union therefore undertake to promote, in every way possible, the realization of the responsibility of the individual Employees with regard to preventing accidents to the Employees themselves or their fellow Employees.

24.3 Any Employee not personally notified of his layoff at the end of his shift shall be considered as having been called for a minimum call the next day. No Employee may be laid off after that person has finished his shift and left the studio, the location site or any other location considered to be the workplace of the Employer. There shall be no unpaid stand-by calls.

24.5 No Employee shall be discharged (as distinguished from layoffs) by the Company without just and reasonable cause. Refusal to comply with an order, directive, or assignment that is unlawful, unsafe, or which is known by the Employee to be in violation of a location permit shall not result in discipline or discharge.

24.6 **Progressive Discipline.** The principles of progressive discipline will be applied in appropriate circumstances. The method of progressive discipline shall be as follows:

- (1) **First Warning (Verbal)** – The Employee shall be notified by their Head of Department of any unacceptable behavior or poor job performance and given direction as to how to rectify the problem.

 - (b) A copy of the written reprimand will be forwarded immediately to the Union for verification and discussion with the Employee.
- (3) **Termination** – If the Employee has failed to show willingness to cooperate with the principles of progressive discipline as stated above and the inappropriate behavior or poor job performance has continued, the Employee may be terminated at the end of their shift.
 - (a) The five working days of the progressive discipline period shall be considered to have served the purpose of the required one week notice.
 - (b) The Company shall not be obligated to provide a further one week notice or the one week salary in lieu thereof. The Union shall be notified immediately of the termination.

- (c) The Company will issue a written termination notice, including cause for dismissal.
- (d) A copy of the written termination notice will be forwarded to the Union immediately.

24.7 The use of alcohol or illegal substances, violence and blatantly unsafe working habits causing potential harm to the Employee or others while at the workplace shall be cause for discipline up to and including immediate discharge.

24.8 **Report of Discharge.** The Union shall be notified of any immediate discharge and a full report of the incident shall be forwarded within twenty-four hours to the Union office. An extension of this time period may be granted with the written approval of the Union and the Company. The Employee in question will continue to receive their contracted wages until such time as the full report is provided.

24.9 The Union will have the ability to investigate all information leading to the immediate dismissal of an Employee. If it is determined that the dismissal was unwarranted, the Employer agrees to re-instate the Employee and pay any wages payable for lost time due to the unwarranted dismissal and investigation period.

Article 25. SETTLEMENT OF DISPUTES

25.1 **Grievances.** Any complaint, disagreement or difference of opinion between the Company and the Union and/or the Employees covered under this Agreement concerning the meaning, interpretation or application of this Agreement, or any provision thereof, or arising from any claim of breach or non-performance thereof shall be considered a grievance.

25.2 The Grievance Procedure will be as follows:

- (1) When a dispute in the workplace between the Company and an Employee gives rise to a grievance, then the Employee, accompanied by the Shop Steward or Union representative, shall immediately take the grievance up with the Production Manager or alternate appointed by the Company.
- (2) Should a resolution not be reached, then the Employee may file a Notice of Grievance with the Union office within seven calendar days of the occurrence upon which the grievance was based or, within seven calendar days after the facts underlying the grievance became known by the Employee. Upon receipt, a representative of the Union shall investigate the claims then discuss the matter with a representative of the Company. A representative of the Union may also invoke the Grievance Procedure on behalf of any Employee or Employees. Should the dispute be regarding payroll issues, the above seven day timeline may not be applicable. At this stage, the Union and the Company will thoroughly discuss the matter and endeavor to reach an amicable settlement.
- (3) When it is evident that a settlement is not forthcoming, then a grievance must be presented in writing. This Grievance Letter must be submitted to the other party within 14 calendar days of the occurrence of the event upon which the grievance is based, or, within 14 calendar days after the facts underlying the grievance became known or should reasonably have become known by the Employee, the Company or the Union. Claims not submitted within this time period shall be deemed waived.

- (4) Should a resolution not be reached within seven calendar days after receipt of the Grievance Letter, then the grievance will be submitted to a single Arbitrator, whose decision will be final and binding. Prior to Arbitration, it may be agreed upon by both parties to seek non-binding Mediation, which may (if an agreement is reached) eliminate the need for further proceedings.
- (5) The Arbitrator will be a person agreed upon by the Company and the Union. Failing such agreement, either party may request the Minister of Labour in the province in which the grievance arises to appoint an Arbitrator in accordance with provincial legislation. All costs of Mediation and/or Arbitration will be borne equally by both parties.
- (6) The Arbitrator and/or Arbitration Board will not be vested with the power to change, add to or otherwise amend any of the conditions of this Agreement.

25.3 If the grievance has been made by the Union, the Company's representative shall not discuss or negotiate with the aggrieved Employee without the consent of the Union.

The work for the Derivative Production shall be considered part of the workday for the Employees on the source production and shall trigger overtime if work on the Derivative Production extends the workday or work week on the source production past the point at which overtime would normally be triggered on the source production. All other terms and conditions, including fringe benefits, shall continue as if the Employee were continuing to work on the source production.

Article 27. PROTECTION OF RIGHTS

27.2 The Employer and the Union acknowledge and agree the contractual obligations set out herein are to be construed as personal to the Employee (including persons engaged as a dependent contractor and/or loan-out corporation) and may be enforced by any Employee (including persons engaged as a dependent contractor and/or loan-out corporation) in any appropriate court or tribunal. The Employer and the Union further acknowledge and agree that the obligations set out herein do not expire with the expiration of this Collective Agreement and will continue in perpetuity when a claim and/or charge is made against the Employee (including persons engaged as a dependent contractor and/or loan-out corporation), even after the expiry of the Collective Agreement.

The Employer will make its Harassment and Discrimination policy available to all Employees.

Article 28. COMMUNICATIONS

28.1 Any communications directed to either party are to be forwarded to the addresses shown at the end of this Agreement and both parties will keep each other informed of any changes in address.
