6.2 The Union shall supply all Employees covered by this Agreement to perform work in the job classifications of each department as listed in Schedule "A" of this Agreement. The Union shall maintain an availability list of available and qualified members to work in each classification recognized in the Agreement.

The Employee automatically reverts to their regular classification on the following day unless they are notified to the contrary. Employees must submit all required documentation to be eligible for the upgrade. This may include but is not limited to a new top sheet, start slip and time sheet.

6.8 The Company or its designated representative shall clearly indicate whether a work call is a daily or weekly position when placing calls for crew requirements with the Union.

The Company shall recognize the Shop Stewards as the representative of the Employees and recognizes that the power to elect a Shop Steward on a production or the elimination of a Shop Steward position is solely vested with the Union. The Shop Steward shall have the complete cooperation of the Company in the performance of their duties. The Company shall not bring to bear any disciplinary, discriminatory, or monetary pressure upon any Shop Steward as a result of the performance of their duties. It is understood that the Shop Stewards shall have no authority to alter, amend, violate, or otherwise change any part of this Agreement.

Article 8. NO STRIKE OR LOCKOUT

8.1 There shall be no lockout of Employees by the Company during the term of this Agreement.

8.2 The Union agrees not to initiate any strike, work stoppage or slow down during the term of this Agreement, except in the case of the Company's failure to post a performance bond in accordance with Article 5.3 or adhere to the terms and conditions of this Collective Agreement.

8.3 No Discipline for Honouring Picket Line

- (1) It shall not be a violation of this Agreement and it shall not be cause for dismissal or disciplinary action in the event an Employee refuses to enter upon any property involved in a labour dispute, or refuses to go through or work behind a picket line, including a picket line at the Company's place of business and/or shooting location.
- (2) The Company will not take any action against the Union or any Employee in the event that such a picket line is deemed illegal by a court, applicable Provincial Labour Relations Board or the Canada Industrial Relations Board. The Union agrees that if such a picket line is deemed illegal, the Union will use its best efforts to encourage Employees to report for work.

Article 9. FORCE MAJEURE

9.1 The Company may declare a Force Majeure, cancelling work calls, laying off Employees during a workday, or otherwise suspending production without prospective obligations to Employees, as a result of an inability to provide work because of an unforeseen circumstance beyond its reasonable control (hereinafter referred to as a "Force Majeure"). A Force Majeure includes, but is not limited to: riot, war, fire, earthquake, hurricane, flood, injury, illness, labour dispute, strike, the failure or inability of a key cast

member to perform or the Director to undertake their duties, governmental regulation, order in a national or state of emergency, or when local authorities or EMO advise against public travel. The Company may suspend the performance of the services by the Employee for as long as the delay arising from a Force Majeure continues. No compensation shall accrue or become payable to the Employee during the period of such suspension. This clause will not affect the workweek unless agreed to by the Union. In such unforeseen circumstance, the Company shall furnish a statement in writing to the Union within 24 hours or as soon as practicable, as to the reason for the Force Majeure.

9.2 Employees will be paid at least for the minimum call should the Force Majeure occur during working hours or within ten hours of the Employee's work call time.

9.3 Should Employees be required to layover at a particular shooting location during the period of any Force Majeure, the Company must provide accommodation and per diem in accordance with this Agreement.

Article 10. DEAL MEMOS

10.1 An Employee shall be required to sign an "Individual Employment Contract" or, "Deal Memo". When an Employee works in more than one department or job classification, a separate "Deal Memo" must be submitted for each department and job classification for which an Employee is employed. The Company will encourage its payroll company to issue electronic documents in lieu of paper documents for all required "start paperwork," (including but not limited to deal memos, proof of residency documents and direct deposit forms). If an Employee requests, the Company will either provide the Employee with a hard copy of the "start paperwork" or make other arrangements for the Employee to receive and sign electronic documents.

10.2 Minimum Terms and Conditions

This Agreement represents minimum rates and working conditions. No Employee shall be compensated at rates less than those specified in this Agreement nor be subject to working conditions that are less favourable than the provisions of this Agreement.

10.3 Right to Negotiate Above Minimums

Nothing in this Agreement shall prevent any Employee from negotiating and obtaining from the Company better rates, conditions and/or terms of employment than those provided in the Agreement.

10.4 During the term of this Agreement, the Company will not renegotiate the terms of any Deal Memo with an Employee without first obtaining the consent of the Union. The upgrading of Employees in accordance with Article 6.7 shall not require the consent of the Union.

10.5 Upon the execution of any Deal Memo, a complete copy shall be made available to the Employee. This copy must include all start slips and riders. The Company shall provide a copy of the Deal Memo and related documents to the Union within three business days of execution. In the event of a discrepancy between Company riders or policies and this Agreement, this Agreement shall prevail.

10.6 At any time during the term of the Agreement, the Union may declare null and void all or part of a Deal Memo if the Union determines that all or part of that Deal Memo decreases the benefits in this Agreement.

10.7 The wording "subject to signed I.A.T.S.E. Local 849 Collective Agreement" must be clearly stated at the beginning of each Deal Memo.

10.8 In the event the Company enters into a Deal Memo which contemplates better rates, conditions and/or terms than those provided in this Agreement, any such Deal Memo shall not be construed in any manner as a precedent for granting similar rates, conditions and/or terms to other individuals.

10.9 Residency Information

Employees shall supply reasonable residency information sufficient to ensure that the Company receives all applicable federal and provincial production services incentives. Such information shall be kept

confidential by the Company and held in compliance with applicable privacy legislation and only disclosed to the extent necessary to obtain the applicable tax credits and incentives.

10.10 A Deal Memo must include language confirming the Employee authorizes the deductions contemplated in this Agreement (i.e. fringes).

Article 11. ENGAGEMENT OF NON-UNION EMPLOYEES

11.1 In accordance with Article 6.1, preference of employment shall be given to I.A.T.S.E. Local 849 members. However, after determining that a member of the Union is not available or qualified, the Company may submit a written request to employ an individual who is not a member of the Union. This request for a Work Permit must include the following information:

- (1) A description of the job to be performed by the requested individual.
- (2) The Company's reasons for employing the individual.
- (3) A list of credits or a résumé of the requested individual.
- (4) Proof of any Union affiliation and professional standing of the requested individual.
- (5) A completed I.A.T.S.E. Local 849 Work Permit Request form signed by the Head of the Department requiring the permit and by the Production Manager and which clearly indicates whether the call is a daily or a weekly (term) position.
- (6) Prior work history of the individual with key creative personnel on the production.
- (7) A list of I.A.T.S.E. Local 849 members who were considered for the position and the reasons why they were not engaged.

11.2 The Company shall provide the request for Work Permit for a weekly hire as far in advance of the individual's start date as possible, but the request must be filed with the Union office no less than 24 hours prior to the individual's work start time.

11.3 If the Company establishes the necessity to hire a non-member, the Union may grant a non-member permission to work for a period not exceeding one week as defined in Article 12.1 of this Agreement. In certain instances, such as the requirement for a non-union Department Head or Employee with special skills, the Union may, at its discretion, grant a non-member permission to work for the run of the production.

11.4 This Agreement shall govern the employment of any non-members permitted by the Union.

11.5 At the end of each work day, the Company will re-submit permit requests for all Daily Employee permits. At the end of each work week, the Company will re-submit permit requests for all Weekly Employee permits.

Article 12. HOURS OF WORK AND WORKWEEK

12.1 Workweek

The normal workweek shall consist of seven consecutive days: the first five days being workdays, the sixth and seventh days being days off. Sixth and seventh days are determined by the calendar and not by the number of days worked within that week by an individual Employee.

12.2 Regular Work Day

The regular work day for all departments, with the exception of the Set Construction Department and the Scenic Paint Department, is eight hours of work plus a one hour unpaid meal break. The normal working day for the Set Construction Department and the Scenic Paint Department is ten hours of work, plus a one hour unpaid meal break. On-set Carpenters and On-set Scenic Painters will work the same schedule as the on-set shooting crew, i.e. an eight hour work day.

The minimum call for a regular workday for all Employees is eight working hours with the exception of the Set Construction Department and the Scenic Paint Department. The minimum call for a regular work day for the Set Construction Department and the Scenic Paint Department will be ten working hours, including those persons brought in for daily calls.

12.6 Shift of Workweek

Twice during production, the Company may shift the workweek without incurring extra costs, by doing either of the following:

- (1) Shift the workweek forward by one or two days by adding one or two days off, consecutive with the seventh day of the regular workweek, provided that each additional day off shall be at least twenty-four hours in duration. If work is performed on any of the additional days off, the rate of pay shall be that of a seventh day of work.

Or

- (2) Shift the workweek back by one day by changing the seventh day of the regular workweek to the first day of the shifted workweek, provided that the sixth day of the regular workweek is a day off consisting of a 34-hour rest period. If work is performed on the day off, the rate of pay shall be that of a seventh day of work.

It is understood that the shift contemplated in paragraph (b) of this Article is intended to allow for a return to the original workweek. The Union agrees that it will not unreasonably deny a request to waive the seven (7) day notice requirement when circumstances giving rise to such request are beyond the reasonable control of the Company and the workweek shift occurs within the seven (7) day notification period contemplated in Article 12.7 of this Agreement. The allowable notice will not be less than five (5) days.

12.7 Notice of Shift of Workweek

Employees and the Union shall be given seven (7) calendar days' notice of a workweek shift. A reduced notification period will be considered for the second workweek shift.

12.10 Pre-production Workweek

The workweek during pre-production may be different than the workweek of production. The change in workweek from pre-production to production shall not be considered a workweek shift. The workweek wherein pre-production ends and shooting begins must conform to the terms of Article 15.2. When there is a change to the workweek between pre-production and production, a minimum 34-hour rest period shall be required. When work is performed during the rest period it shall be paid at the turnaround rate of three (3) times the Employee's applicable basic hourly rate.

12.11 Distinct Work Unit

Every distinct work unit can have a different and distinct workweek. A "work unit" means a first unit, a second unit, a rigging unit, a prep unit or a unit separate from a shooting unit, etc. The regular workweek for each work unit shall conform to that prescribed in Article 12.1 of this Agreement.

12.12 Production Hiatus

The scheduling of all production hiatuses must be mutually agreed to by both parties.

12.13 All terms and conditions of this Agreement, including any amendments as they may be written from time to time, apply to all work units.

Article 13. OVERTIME HOURS

13.1 Work performed in excess of an Employee's regular workday contemplated in Article 12.2 of this Agreement shall be paid as overtime calculated in accordance with Article 13.3 of this Agreement.

13.8 When the Company provides the Employees and the Union with 24 hours' notice of its intention to work a sixth day, the overtime pay for work performed after twelve (12) working hours on the sixth day shall be paid at three (3) times the applicable basic hourly rate.

13.9 Night Premium

If work call commences at 14:00 or later on more than 2 consecutive days, the Company shall pay Employees a Night Premium whereby work performed between the hours of midnight and 5:00 a.m. shall have an additional 25% added to an Employee's applicable prevailing hourly rate of pay.

13.10 Maximum Compounding

The maximum compounding effect of the application of overtime and premiums provided for in this Agreement shall not exceed three (3) times an Employee's applicable basic hourly rate.

In the event this requirement is not met, the meal period will be initiated between the conclusion of the fourth hour of work and the conclusion of the fifth hour of work.

14.3 If the Company initiates the meal period at the conclusion of the fifth hour of work, this meal period will be recognized as the regular meal break and will be subject to the meal penalty, grace period and the second meal period terms contemplated in this Agreement.

14.4 Sixty-minute meal periods shall not be considered as "last person through the line"; however, the Company will allow sufficient time for departments to "make safe" the work place prior to the start of the meal period.

14.5 Second Meal Period and Extensions

- (1) When the Company initiates a second meal period in a workday, the second meal period shall commence between the conclusion of the fourth hour of work and the conclusion of the sixth hour of work, calculated from the completion of the previous meal period. 14.8 The notice for a grace period will be made in advance of the meal period to allow ample time for the Shop Steward to be notified. This notice shall not be considered as use of grace period. The grace period is considered to have been exercised only if it has actually been used.

14.9 When a grace period has been granted, the second meal period, if applicable, will commence as per Article 14.5, but calculated from the time the regular meal period would have been completed had the grace period not been granted.

14.10 30 Minute Meal Period

- (1) Subject to the Employees' and Shop Steward's approval, the Company may elect to institute a 30 minute meal period, provided that a meal of a standard deemed acceptable to the Shop Steward is supplied by the Company and the time allowed to consume such a meal shall be considered as time worked for overtime calculations and shall be paid at the rate in use and effect. This 30-minute meal period must be called as per the regular meal break as described in sections 14.1, 14.3 and 14.5, otherwise a meal penalty will occur as per Article 14.16.

SCHEDULE C - VARIANCES

2024-25

SCHEDULE D - TRAINEES

When the Company engages Trainees, it agrees to the following:

D1. Conditions

D1.1 Trainee(s) may only be engaged as supplemental labour. The approval by the Union for the Company to hire a trainee will only be considered after the Department Head has established full departmental crew requirements. Trainee(s) must not replace a required weekly hire position or displace a full member without prior consultation and approval by the Union.

D1.2 The Department Head will determine the mentor(s) from within the department. The mentor(s) should be a member in good standing of IATSE Local 849, have worked in the department for a minimum of 5 years, and must agree to take on the mentoring role. There may be circumstances where it is beneficial for the trainee to have more than one mentor. This will be determined on a case-by-case basis.

D1.3 The Trainee(s) will be engaged for a period of no less than 2 weeks and no more than 6 weeks on a single production. Due to the unpredictability of the production season, there will be some flexibility with this condition. The duration of the Trainee's term may be negotiated on a per Production basis with consideration given to a project's format, shooting schedule, and budget. The Company may have the option of renewing the Trainee's term, only with agreement of the Union and Department Head.

D1.4 The Trainee(s) will be hired under the I.A.T.S.E. Local 849 Collective Agreement and is entitled to the same rights and protections as all other employees in the bargaining unit unless otherwise specified in this Schedule D.

D1.5 On Tier 1 and Tier 2 productions, a maximum of 2 Trainees per department may be engaged, up to a maximum of 8 per production. On Tier 3 and Tier 4 Productions, a maximum of 1 Trainee per department are allowed, to a maximum of 3 per production. Trainees may only be engaged on a Tier 5 production with special permission from the Executive Board. Because of the lower budget nature of Tier 5 productions, consideration may be given to modifying some conditions. Modified conditions must be agreed to by the Union, the Company, the Department Head, and the Trainee, and will be defined in writing.

D2. Remuneration

D2.1 Trainees on Tier 1 and Tier 2 productions shall be remunerated at the rate of \$17/hr. All overtime and meal penalty language shall apply as per the signed Collective Agreement. The Company shall be relieved of the obligation to remit the Administration Fee, Training and Welfare Fund, and Retirement Benefit fringes on behalf of Trainees. The Company is still required to remit Vacation Pay and the Medical Fund Benefit fringe as described in Article 17 negotiated in the signed Collective Agreement.

D2.2 Trainees on Tier 3, Tier 4 and Tier 5 productions shall be remunerated at the rate of \$16/hr. All overtime and meal penalty language shall apply as per the signed Collective Agreement. The Company shall be relieved of the obligation to remit the Administration Fee, Training and Welfare Fund, and Retirement Benefit fringes on behalf of Trainees. The Company is still required to remit Vacation Pay and the Medical Fund Benefit fringe as described in Article 17 negotiated in the signed Collective Agreement.

D2.3 Trainees will not be subject to permit fees or working dues deductions.

D2.4 When a Tier 2 production is eligible for the first season incentive reduction to Tier 3, a Trainee shall receive the Tier 2 rate.

D3. Qualifications

D3.1 Trainees must have completed the IATSE Local 849 Set Etiquette and Safety workshop and hold a valid WHMIS certificate. Some Departments may have other specific requirements to qualify.

SCHEDULE D – TRAINEES

D3.2 Trainees must have an up-to-date resume on file with the Union and must be registered with the Local as a Trainee.

D4. Follow-Up

D4.1 At the conclusion of the Trainee's placement the Trainee's Department Head/Mentor(s), and a representative from Production will complete the IATSE 849 Trainee Program Assessment Form. The completed Form should be submitted to the Union as soon as possible after completion of the Trainee's placement.

D4.2 At the conclusion of the Trainee's placement the Trainee will complete the IATSE 849 Trainee Program Self-Assessment Form. The completed Form should be submitted to the Union as soon as possible after completion of the Trainee's placement.

D4.3 All parties will schedule a meeting with a representative from the Union to discuss feedback, where possible.

D5. Compliance

D5.1 If it is determined that the Production is not in compliance with the Terms and Conditions of the Trainee Program as detailed in this Schedule D, the Union may remove the Trainee from the production and seek remedy as per Article 25 of this Agreement.

SCHEDULE E - CANADIAN CREATIVE INDUSTRIES CODE OF CONDUCT to Prevent and Respond to Harassment, Discrimination, Bullying and Violence

The “Canadian Creative Industries Code of Conduct” confirms our commitment to safe and respectful workplaces and to an industry free of harassment including sexual harassment, discrimination, bullying and violence.

Harassment can take many forms including unwanted sexual attention, inappropriate jokes or texts, threats, and other unwelcome verbal, written, visual or physical communication or conduct.

Everyone has a responsibility to build safe and respectful workplaces.

Harassment, discrimination, bullying and violence can affect individuals at every level of the industry. Promoting increased gender equality and diversity is one way to break down barriers and reduce or eliminate these behaviours.

The principles espoused in this Code are applicable to all work and work-related environments. These can include but are not limited to, auditions or casting meetings, job interviews, industry events, festivals, awards, company functions, production studios and sets (whether local or remote), offices and rehearsal and performance venues.

Signatories to this Code will lead by example by upholding the highest standards of respect, encouraging the good-faith reporting of complaints concerning harassment, discrimination, bullying and violence and cooperating in the investigation of such complaints.

In adhering to this Code of Conduct, Signatory organizations agree to take the following steps as applicable to identify and address harassment including sexual harassment, discrimination, bullying and violence:

- Enact policies and procedures that maintain zero tolerance for harassment, discrimination, bullying and violence;
- Designate people in the workplace to receive complaints of harassment, discrimination, bullying and violence;
- Provide a timely process for the investigation and resolution of complaints;
- Implement proportional consequences for violations; and
- Protect from retaliation or reprisal those individuals who in good faith allege violations of anti-harassment, discrimination and violence policies and procedures.

In implementing the above, Signatories will take the following steps, as applicable:

- Ensure everyone in the workplace is aware of anti-harassment, discrimination and violence policies and procedures;
- Encourage people to set and respect personal boundaries and engage in consent-based interactions;
- When work requires physical contact or scenes of nudity, intimacy or violence, adhere to applicable respectful workplace policies and collective agreement obligations;
- Provide safe places where work may be performed for example, by not requiring individuals to attend meetings alone or in spaces such as private hotel rooms, etc.; and
- Encourage instructors, teachers, coaches and those providing training in the industry to adhere to this Code and share its principles with their students.

Signatories to this Code of Conduct agree to take all applicable steps to quickly address substantiated complaints of workplace harassment including sexual harassment, discrimination, and violence. Such steps may include the following:

- Requiring remedial action such as counselling and/or training;
- Disciplinary action (as per collective agreements and individual organization, union, guild and workplace policies) including restrictions, suspension or termination of employment and/or membership; or
- Legal action as per applicable laws including human rights legislation.
